Southern Wesleyan University

The following is a list of South Carolina Technical College courses approved for transfer into Southern Wesleyan University to satisfy general education, major or elective requirements. A maximum of 68 semester hours may be transferred from a two-year college. Generally these will only be accepted if taken during the first two years of college.

*Please note that because of the lock-step course sequence in some AGS programs, not all courses listed are transferrable into all AGS programs.

Courses with grades of less than C- will not be accepted in transfer.
