

# Spring Online Courses For MED Electives

You must register and pay online through Performance Learning Systems at [http://www.plsweb.com/Our-Partners/Southern-Wesleyan-University/\(schedule\)/1#SG](http://www.plsweb.com/Our-Partners/Southern-Wesleyan-University/(schedule)/1#SG). You must also submit the Southern Wesleyan University MED Online Elective Registration form (available on the web or from your Student Services Coordinator) to the Office of Academic Records.

REGISTRATION DEADLINE – January 4, 2011

Course dates 1/11/2011 – 3/7/2011

## **EDUC 5763 Reading across the Curriculum**

Explore metacognitive reading strategies designed that will help you to plan lessons in your content areas. Apply best practices related to types of text, reading assessments, fluency, motivation, vocabulary, and note taking. Develop reading plans, plan cooperative learning, create reading lessons, explore best reading practices, and develop rubrics.

## **EDUC 5783 Classroom Management: Orchestrating a Community of Learners**

Designed to equip educators with concepts and strategies for orchestrating classroom life to enhance learning. Addresses the following areas: the physical environment, rules and routines, flow of instruction, reinforcement for desired student behaviors, a hierarchy of consequences for student misbehaviors, parent involvement, and teacher resilience.

**Visit the SWU School of Education website for more information.**
