SOUTHERN WESLEYAN UNIVERSITY HOUSING POLICY				
All single students enrolled for twelve credit hours or more and who are under the age of 23 on the first day of registration for any semester are required to live in university student housing and shall participate in the university board plan for the duration of that semester. Students who are married or living at home with their parent(s) or responsible family member may live off campus. Students under the age of 23 who have completed 8 full-time post-high school college semesters of attendance are eligible to live off campus. Maximum institutional financial aid will be applied only to direct university cost and will not be applied to off-campus costs. Exceptions to university housing policy will be considered only for extreme circumstances and must be requested in writing to the Housing Office in advance. Single students over 25 years of age or under 18 years of age must receive permission from the VP for Student Life to reside in university housing.
