2010

Saturday Class Schedule

General Information

Registration

Complete a separate registration form for each course that you desire to take. Registration forms must be received four weeks prior to the first workshop meeting (see specific date on schedule). A late fee of \$50 will be assessed for each course registration that is received after the closing date.

Shipping Information

Materials will be delivered to your primary location of attendance approximately two weeks before class starts. Please contact your student services coordinator near that date to make arrangements to pick up your books. If you are taking a course at a location other than where you normally attend class, please indicate this on your registration form and arrangements will be made to send books directly to you. If you register less than two weeks before the course start date, your materials will be shipped to you via UPS. Therefore, we must have a street address, not a post office box number, on your registration form.

Minimum Enrollment

A minimum enrollment of four students is required for courses to be offered. The reason for this is so that class discussions and learning teams can function effectively.

Time and Location

Courses meet for four hours on alternate Saturday mornings from 8:30 a.m. to 12:30 p.m. on the dates that appear on the schedule. Courses will be offered in the facilities that are usually used in each area listed on the schedule.

Course Credit

Each course will earn three credit hours.

Since learning teams are not formed before the Saturday course starts, they must be developed during the first session. Learning team assignments and meetings will be determined by the instructor. This may include online, chat rooms, forums, some face-to-face meetings, etc.

Cost

Each course will cost \$320 per semester hour, plus \$190 Education Resource Fee. All books, materials, modules, and delivery fees are included in the Education Resource Fee. For example, a three-semester-hour course will cost $(\$320 \times 3) \$960 + \$190 = \$1,150$.

Financial Aid Recipients

Check your financial aid award letter to be sure that you have received sufficient funds to cover the cost of Saturday courses taken in addition to your regular core classes. If you do not have a credit balance that will cover the additional cost, you must make arrangements with the Student Accounts Office to pay for the course. The telephone number is (864) 644-5520 or toll-free 1-800-289-1292 x 5520.

Additional information

For additional information, please contact your area Student Services Coordinator, listed below.

- Central (864) 644-5351
- Charleston (843) 266-7981, ext. 5640
