Master of Ministry Samaritan Fund Application Procedure

Rationale for Fund:

The Master of Ministry Samaritan Fund exists to provide emergency assistance to Master of Ministry students who, because of financial challenges, may be forced to withdraw from a course of from the Master of Ministry program unless special assistance is available. As such it should be used for true emergencies, rather than as a routine source of funding for graduate education.

1. SWU Master of Ministry students needing emergency assistance may obtain the Samaritan Fund Application for Assistance by contacting Office of Financial Aid or downloading the application from the website.
2. Completed applications should be submitted to the SWU Office of Financial Aid for review and determination of grant amount.
3. Aid will be granted on the basis of established need and funding available. Assistance for an emergency situation will be limited to \$400 per request after all other financial aid has been applied, not to exceed the total cost of tuition and resource fees for one course.
4. Funds received will be in the form of a grant, to be paid directly to the student's account.
5. A student may apply for emergency assistance on more than one occasion, but should seek additional financial assistance from other sources if the financial demands of the graduate program are a continuing challenge.
